FARE FAC SAMPLER
to
HAROLD F. WEILER

THE FARE FAC SAMPLER

Tribute -

In Tribute

to

GORDON E. SMITH

Whose ever constant efforts
and interest in their behalf
will enshrine him in the
memory of

The Boys and Girls of
Fairfax High School

NINETEEN FORTY-FOUR

*"For the world's bravest and best are
smallest and least may have a right to*

WE, the students of Fairfax
High School, present this
Yearbook as a symbol of our
efforts to "keep faith" with
those who work and fight in
order that our future may be
secure. The surge of pride and
faith in those who serve us during
this world crisis challenges us
to hold high the torch of learn-
ing entrusted to our generation.
May we prove worthy of their
faith in us.

THE FARE FAC SAMPLER

*fighting with bent back so that the
stand upright without fear.”—Birchhead*

Our school program this year is synonymous with our military strength. The backbone of a democratic society is the school. Recognizing that our ARMED FORCES are the backbone of democracy's defense, our school pays proud tribute to our A R M Y. The Senior Class anchors its future with compliments to our N A V Y. The under-classmen show their fighting spirit in tribute to the M A R I N E S. Our athletic program which builds for physical fitness salutes the C O A S T G U A R D. School Activities hail the dauntless spirit and courage of our A I R C O R P S. Special Feature section contributes a view of H O M E F R O N T Activities.

VARSITY CAPTAINS

DOVE

THE FAIRFAX VARSITY team played hard and well last fall, making it one of the most successful athletic seasons to date. The team played notably in their encounter with the ever troublesome Lane High, coached by Mr. Bodnarik, a former coach at Fairfax.

Of course each game couldn't be a best game and our boys ran into some difficulties other than good opponents, such as, when the field was so deep in water that it was really a swimming meet. Our team was undaunted by such difficulties and marched on to victory.

Jimmy Moeller, our star end and one of the high scorers of the Washington area, with the support and teamwork of the rest of the Rebels, helped to pave our victorious road.

Saluting all of this, including the coaching by Mr. Mavity, we can proudly say that this has been a very successful year.

GIRLS

With Miss Miriam Myers as coach, the Girls Basketball team of Fairfax High School had another victorious year. The girls played only a few games before they went to the championship play-off, the high light of the season, with Greenbelt in the Star Tournament. The undefeated girls kept the lead throughout the entire game thus winning the Metropolitan Area Championship Title. A trophy was presented to Miss Myers as coach of the team; one to the team, received by Virginia Johnson, captain; and one to Maxine Proffitt as the outstanding player in the tournament.

BOYS

Fairfax basketball season did not go so well this year. The boys played their best but their best did not quite equal the best of their opponents. Even in the face of defeat the Rebels' spirit and good sportsmanship did not dampen and they played hard and clean to the very last game. Although bad luck and misfortune came their way, they over came it and won several games. It can be said with great pride that even though we were defeated many times, our boys fought a good fight.

For the first time in the history of Fairfax we have put in the ring a boxing team. Our boys fought extremely well this year under the careful coaching of Mr. Pfalzgraf. As a climax to our efforts, six boys went to the South Atlantic Boxing Tournament and came out the winners with 20 points. George Lumsden, Jim Moeller, Jim Turner, and Wallace Covington earned these points for Fairfax High. If the sport keeps up at this unusual rate we can easily expect that boxing at Fairfax High will in the future prove one of our outstanding activities.

Remember all that noise you heard at the games? Remember the Conga line across the playing field, and the pseudo-majorette baton twirling and acrobatics? Remember the rah-rah cheers and the pep songs you gave so enthusiastically?

Well, here are the group of girls whose lead you followed, who gave you the inspiration that carried from you to the teams for which you were rooting—Fairfax High School's own group of cheer leaders, selected by Miss Myers and Mr. Mavity from a large group of aspirants. The girls chose Lois Davis as captain.

These girls played a great part, both in victory and defeat, in imbuing our teams with that "never say die" spirit which carried them through many a tight spot.

The FARE FAC SAMPLER Staff has as its purpose the task of putting out a Yearbook which truly portrays the life in school throughout the school year.

The '43 staff produced a book which brought honors to the school by being judged the second best Yearbook in Class A Schools in the state of Virginia.

It has been a great task for the '44 staff to try to live up to that reputation and to top the '43 book, if possible. Behind this book lies many hours of hard and tedious work. However, if, as you review this, the 1944 FARE FAC SAMPLER, you are pleased with it, we of the staff feel well repaid and know we have achieved our highest accomplishment.

The paper staff, through editing and publishing the *Fair Facts*, a monthly newspaper, attempts to give a representative picture of activities and interests in the high school. This newspaper offers opportunities, for those interested, to get experience in the various fields of newspaper work.

During the school term 1943-'44, the establishment of a journalism class greatly forwarded the work of the paper staff, and provided training for students interested in newspaper work.

The paper staff has published eight issues of the *Fair Facts*. It has endeavored, through the issues, to provide interesting and entertaining reading matter.

STUDENT GOVERNMENT

REPRESENTATIVES

The Student Government Association is a representative group of students to whom the government of the student body is entrusted.

Student Government was formed and is maintained for the purpose of developing such qualities as self-reliance, leadership, responsibility and cooperation; understanding how a democratic governing body functions; to make better and stronger citizens of America for the world of tomorrow.

This year, under the direction of the Secretary of Publications, Student Government published a handbook. This was a revised edition of the first one published by Student Government three years ago. Unquestionably this handbook will be useful.

Among other projects of the organization for the year was a fund which was begun to provide a cinder track for the school. It is hoped another year will see it completed.

A class work program was organized affording the last period classes the opportunity to clean their rooms.

Although a minimum number of accomplishments were actually achieved, it is an efficient organization.

The purpose of the F.F.A. organization is to develop aggressive agricultural leadership and to teach those members interested the best methods of the different types of farming.

Most of the members enjoyed active participation in the intra-mural sports program of the school. The F.F.A. team caused quite a sensation with their "flashy" new uniforms.

Each member is operating at least two projects in connection with his class work, one of which must contribute toward the production of an essential war product.

Promoting a general interest in music throughout the school and serving the school by participating in special musical programs is the purpose of the Boys and Girls Glee Clubs.

The Girls Glee Club consists of thirty-seven members selected from the six music classes. Its "debut" was made in a double feature Christmas program, when its vested choir presented, with a background of Christmas music, the story of Christ's birth in Tableaus. This club also appeared with the school orchestra in a presentation of popular Christmas tunes.

A country Bond Rally held in February offered the Girls Club an opportunity to serve by presenting appropriate patriotic music to boost the Fourth War Loan Drive. Again, in cooperation with the band, the club made a public appearance in the Band Follies.

The Boys Glee Club, composed of seventeen members, was not organized until quite late in the season. It has functioned mainly as an "assistant" to the Girls Glee Club. They proved their ability in that capacity when they appeared with the girls group and the band on the Christmas program, and in the Band Jamboree.

The climax of the years' activities culminated in the National Music Week Festival held in May. Participating in the commencement exercises concluded, for the year, the work of the Glee Clubs.

The Fairfax High School Band has had a very successful year. While its aim has been to foster the appreciation of instrumental music in the school, it has served to take the name of Fairfax High School into the community by performing at various functions during the year, including the dedication parade, when it played in company with Army and Navy Bands.

On all these occasions our corps of major-ettes has been right in there swinging.

Starting from a very small, semi-official organization, it has grown, both in instrumentation and personnel, to be a symbol of the spirit of Fairfax High School.

The Concert Orchestra organized this year for the first time, has for its aim, the fostering of appreciation of the classic or semi-classic type of music.

As in the beginning of all things, there is but a small organization which has, however, been very successful in its public appearance so far. On numerous occasions the orchestra has entertained the student body with assembly programs and special concerts. They have also appeared on special programs with the glee clubs.

The string section is not sufficiently large and the bass violin is still lacking, but as the instrumentation grows and the library increases, it is hoped that the organization will develop into a junior symphonic orchestra.

The Library Club has twenty-one members and meets every Tuesday to discuss and carry out plans to promote interest in reading by arrangement of bulletin boards, posters, and book talks; to improve the appearance of the library and keep it neat at all times; and to assist with the routine work of the library by supervising the reading room after school and helping prepare books for use.

These purposes have been accomplished with interest and enthusiasm by the club members. The club sponsored a movie for the purpose of improving the appearance of the library. They also gave a tea for the faculty.

The nurses aides committee is a regular Community Service activity conducted by many of the American high schools. At Fairfax, it consists of thirteen girls who are interested in nursing as a vocation and wanted to do volunteer work for experience in this field prior to going into training.

On Tuesdays and Fridays at noon, two girls reported to the health clinic in Fairfax to assist the doctor and nurse for the afternoon. Girls were scheduled to go to the Fairfax County Health Clinic at the Fairfax Court House in pairs of two, each pair going once every two weeks. The other five girls acted as substitutes. The regulars and substitutes were interchanged at mid-year, giving those on the substitute list who wanted to go regularly an opportunity to do so. The girls were excused from class, but were required to keep their work on a satisfactory level.

In addition to helping at the clinic, the nurses aides were useful in the giving of the patch test at Fairfax High School. The majority of the students took the patch test, so nurses aides helped on five occasions at the school in addition to doing clinical work.

The "MP's," or Military Police, are an outgrowth of the Army Division of the Victory Corps, organized in 1942-43. This year they have been very active.

The purpose of the Military Police is to maintain order at Fairfax High School.

In the halls and on the stairs they relieve congestion by directing traffic, allowing students to go only one way on the stairs and in both directions in the halls. When programs in the auditorium are given for students, they take tickets at the doors. For games on the field or in the gymnasium, they punch athletic tickets. At many of the activities they assist by helping enforce regulations.

The School Patrol, organized in the fall, has but one purpose in mind: to safeguard the lives of children going to and from school.

The patrol, consisting of approximately 45 members, meets regularly to discuss current problems relative to their duties and functions. Officer Brown of the Fairfax County Police Force, meets with the group to advise them in solving their problems.

The functions of the patrol are numerous. The front of the building is policed morning and evening, patrolmen are stationed on all busses to keep order, they serve as policemen at every bus stop to prevent possible accidents; and assist greatly in the loading and unloading of busses.

The purpose of the Fire Patrol is to promote safety and prevent accidents in case of emergency, and to evacuate the buildings in an orderly fashion, in the least possible amount of time.

Due to the splendid cooperation from students as well as teachers, the accomplishments of the Fire Patrol have been achieved. During drills we have been able to evacuate the buildings without accidents and in record-breaking time. We make periodic inspections of all fire fighting equipment in the school and also the building itself to eliminate fire hazards.

Most of the members of our Fire Patrol have, with their parents' consent, become members of the Forest Fire Fighting Service. In case of emergency, these members are allowed to leave the school during school hours.

Due to the man-power shortage, the need for such an organization to assist in the preservation of forests and the prevention of forest fires has grown. Members of the student body willing to combat forest fires have joined this organization. Most members of the School Fire Patrol are members.

Members of the Forest Fire Fighters organization must meet certain requirements. In addition, they must have parental consent to join.

This organization has been successful because the boys received instruction in how to prevent and combat forest fires.

December	8	Freshmen made their "debut" in the freshman talent show.
	17	First basketball game with a loss to Charlotte Hall Military Academy 22-56.
	23	Beginning of Christmas Holidays.
	25	Santa was unusually nice to us all this year.
January	3	Back to school again with volumes of resolutions.
	17	Everybdoy had a laughing time at the Band Follies and Jamboree.
	18	End of first semester (there go our New Year's resolutions).
	20	Goodby, Mr. Weiler! Welcome, Mr. Walker! (The Walker's Projects Administration formed immediately after.)
	21	Everyone was highly entertained at the "Klassy Club of '45," sponsored by the junior class.
	24	"All persons with one or more unsatisfactory grades will be unable to attend any performance during school hours." Attendance dropped!
February	10	The team was victorious over Front Royal Military Academy in their first boxing match. Score: 5 1/2-4 1/2.
	12	\$50,000 of war bonds and stamps were sold at the Bond Rally featuring outstanding citizens and service men.
	15	The school was entertained at the "Service Canteen," the sophomores' talent show.
	26	Our girls' basketball team was victorious in the Metropolitan Championship over Greenbelt High with a score of 32-22.
	29	Just an extra day at school!
March	10	Senior tea sponsored by the recreation committee.
	14	"Music Store Follies" given by the seniors showing their talents.
	10-21	Magazine subscription campaign with a total of \$2,730.75.
	18	Fairfax mittmen carried off South Atlantic boxing title. Good work, team!
	22	Dramatic club very ably presented "Little Women."
	29	Another tea, this time for the juniors.
April	5	An assembly sing with Dr. Richmond leading.
	7-10	Easter Holidays!
	11	First baseball game of the season. Our opponents: Mt. Vernon.
	14	Pre-flight class showed their acting ability in "Goodnight, Caroline." The track team started off the season with Washington-Lee as first opponents.
	21	Junior play—"A Redheaded Royalty from Arkansas."
May	9	Musical program presented by Glee Club.
	12	Senior play—"Brother Goose."
	19	Everyone at his best at the junior-senior prom.
	21	Baccalaureate sermon on Sunday evening.
	22	Yearbook is out and <i>final</i> grades due! Senior class night.
	24	The very-long-awaited-for night—GRADUATION!
	25	It's all over with—for three short months!

Serving
WASHINGTON and VIRGINIA
for over two decades

Transportation has been our job for over two decades. During those years, safe, dependable, regular schedules have always been maintained. We believe good transportation is vital to the war effort. Our management and employees expect to continue that service to the people living or working in Arlington or Fairfax Counties regardless of the many restrictions which are necessary in our contribution to the war effort.

❧ ACKNOWLEDGMENT ❧

We, the students and faculty of Fairfax High School, wish to express to the editor, the sponsor and the entire staff of the FARE FAC SAMPLER our gratitude and appreciation for the efforts put forth in making the Ninth Volume of our book a success, thus giving us another accomplishment to add to our record of progress.

The staff would like to take this opportunity to thank Mrs. Hopper, our advisor, for her guidance and help; Mr. MacIntyre and Merin-Baliban for their services and cooperation with our photographs; Mr. Griffin, Mr. Penny and Mr. Thackston of Brown-Morrison for their efforts in producing this book, the finest we have ever edited; all our advertisers who have made our undertaking a financial success; the willing group of typists and other helpers not on the staff, who have worked endlessly without credit; and all other individuals who have contributed in any way to the successful completion of our task.
